GET IN ON THE GROUND FLOOR

CAFE/RESTAURANT SPACE AVAILABLE FOR LEASE

The Reserve is a modern 4000m² three level building on a high profile corner site opposite the iconic Tauranga Post Office building. This is a great opportunity to establish a Café/Restaurant on the ground floor of a large downtown Tauranga office building, complete with underground parking. The open plan space is perfect for a bespoke fit out that has the added amenity of a 120m² north facing deck that looks out over Aspen park (soon to be upgraded by TCC). The Reserve is in a unique part of the CBD, with views to the city, parks, and harbour and surrounded by office buildings and businesses. Contact JWL today to find out more about this amazing site.
